**Q3: How often should I perform routine maintenance on my 2008 GEM car?**

A3: Your 2008 GEM car owners manual will specify a recommended maintenance schedule. This usually involves regular checks of tire pressure, brake pads, lights, and other essential components. **Q4: What type of battery does my 2008 GEM car use?**

A4: The specific battery type will be mentioned in your owners manual's specifications section. Typically, GEM cars of that era used lead-acid batteries. Understanding your battery type is essential for proper charging and maintenance.

**Q5: Can I replace parts on my GEM car myself?**
